www.SeaDentalCare.com

Thank you for choosing us for your dental needs!

Our goal is to provide you with optimal care based on your individual needs.

Payment is due on the date of service.

We currently accept:

Cash Check Visa

American Express Mastercard

CareCredit Discover

CareCredit – CareCredit is a division of Synchrony Bank and offers consumers interest-free payment plans, in addition to extended payment plans for dental care. We can submit your application at our office. You can also apply online at www.carecredit.com or call 1-800-365-8295.

Insurance – As a courtesy to you, we offer complimentary insurance billing. Knowledge of your policy details and tracking of insurance payments and available benefits is your responsibility. Payment for the estimated patient portion of your care is always required in full at the time of service, unless financial arrangements have been made prior to beginning your treatment plan. Any portion of your treatment not paid by insurance is your responsibility and will be billed to you. We kindly request that bills are paid promptly. This helps to avoid finance charges and also helps us keep our fees low for everyone.

I have read & agree to accept these financial responsibilities.

Signature/Date

If you have any questions about a proposed treatment plan or the payment options available to you, please do not hesitate to ask. We're here to help you!

Sincerely,

Your Sea Dental Care Team
